

## Uniform Policy

The official uniform of the Dartmouth Lakers Basketball Club is an Adidas brand red jersey top with matching red shorts.

DLBC players are required to purchase a DLBC uniform through our Club.

Players will wear their complete uniform for every properly sanctioned game. Any DLBC player failing to show up at a properly sanctioned game without the complete uniform may not play in that game. Coaches will make the final decision in this regard.

According to official FIBA basketball rules which our MBA League follows, any player needing to wear a t-shirt under the uniform jersey must wear the same colour t-shirt as the jersey, which means a red coloured t-shirt for DLBC players.

Players keep their uniform at year-end and use it again in following seasons.

The price for the uniform is outlined on our annual Player Registration Form.

Uniforms must be requested and paid for at time of registration (see Registration Form) so that the uniforms can be ordered, received, crested, and distributed before the first MBA League game.

Requests for specific numbers cannot always be accommodated.
